1. Results day

i) Collecting exam results

Candidates must collect their results from their school or college (centre), usually on the published results day.

For the June 2024 series, the publication of results day is from 8:00am on **Thursday 4 July 2024**.

WJEC is unable to provide or discuss results over the telephone or via email communication with candidates or parents, even if the school or college is closed. Candidates should, therefore, check with their school or college when and where results will be available for collection and how and with whom they can discuss any issues or concern.

Results must not be divulged to others including local authorities and the media until after 9.30am on the Thursday.

(ii) What to expect

On results day, candidates will normally receive a result slip showing their results (see Appendix 1). If qualifications have been taken with different exam boards, candidates may receive more than one results slip, or the school or college may create one single slip showing all results together.

At this point results are designated as provisional; changes may be made at a later point, for example, following a Review of Moderation.

iii) How are results displayed on a result slip

Results slips will show candidate results for each component (for the subjects) taken within that series.
